# Digital Audiobooks for Windows

## What you'll need:

- A computer with Windows XP, Vista, 7 or 8
- A Library card and PIN (usually the last four digits of your phone number)
- Overdrive Media Console for Windows

## Install the Overdrive Media Console

Go to the download page for OverDrive Media Console (OMC) for Windows ([omc.overdrive.com/windows.php](http://omc.overdrive.com/windows.php))

- Click **Download for Windows**
- Save the file
- Open the installation file once the download is complete
- Follow the prompts in the setup wizard to complete the installation. Once OMC is installed, we recommend running the Windows Media Player Security Upgrade. Within OMC go to **Tools** and select **Run Windows Media Player Security Upgrade**.

## Ready to checkout Audiobooks

1. Start at WCDPL's website: [wcdpl.org](http://wcdpl.org)
  - A: Click on **Catalog/My Account** in the purple bar
  - B: Click on the **download Overdrive** box on the right side of the page
  - C: Click the **Sign in** button at the top of the page
  - D: Select "**Wood County Public Library System**" from the drop down menu
  - E: Enter your **library card number**, followed by your **PIN**
2. Search for Audiobooks to borrow. Look for **MP3 or WMA formatted audiobooks**.
  - A: To select a book, click on **Borrow**
  - B: Not available? **Place a Hold** or **Add to Wish List** to borrow another time.
  - C: You may have 10 books checked out and 12 books on the waiting list. There is no limit on the wish list.
3. Ready to download - **Go to the Bookshelf**.
  - A: Click on **Download** for each title
  - B: OMC should automatically open
