eBook FYI

- A. All titles have a lending period of 3 weeks from the Ohio Digital Library. They will automatically expire from your device when the lending period is up, so there is never a risk of late fees. The Overdrive App will notify you of days remaining on borrowed titles.
- C. Books can be returned early from the Overdrive App bookshelf by touching and holding the cover image until a menu appears with the option to Return/Delete/Share. Choose the Return option.
- D. If the title is checked out , you may choose to Place a Hold and be notified by email when it is available. When you receive the email , log on to your account and go to your hold list to borrow the title.
- E. You may check out 10 titles and have 12 titles on the waiting list. There is no limit to the number of titles you may keep on a wish list.
- F. Books can be renewed within 72 hours of their expiration date, if there are not any holds on the title. If a title has holds, you can be added to the hold list.
- G. Narrow search results by using the Advanced Search Window, by selecting your preferred format, subject, title, author and more. Then tap the *show me only titles with available copies* button, this will give you a list of titles that are currently available to checkout.
