

## Little Red Riding Hood Retold

### The Classic Story

A young girl encounters a wolf on her way through the woods to visit her grandmother. He tricks her into telling him where her grandmother lives, then he speeds ahead, tricks the grandmother, and eats her. Putting on her clothes, he climbs into the bed and pretends to be Little Red Riding Hood's grandmother. Though she is not entirely fooled, she is not able to get away before she, too, is eaten. Luckily, a woodsman passing by kills the wolf and rescues Little Red Riding Hood and her grandmother.
