Now Available at WCDPL

Thanks to a generous donation by The Electric Quilt Company, you can now use Electric Quilt 8 and BlockBase+ software at the library!

With EQ8, you can design your own quilts using the 6,000+ included blocks and fabrics, or add your own pattern to create your unique quilt. Then, print your fabric yardage, rotary cutting charts, templates, and foundation templates to start sewing your masterpiece.

Get started using EQ8 and BlockBase+ by visiting the Bowling Green library's Information Services desk or the Walbridge library's Circulation desk.
